#### LOCATION:

*Warrenville FD Training Room, 3S472 Batavia Road, Warrenville, Illinois 60555*

#### OVERVIEW:

**WARRENVILLE POLICE DEPARTMENT** is hosting the National Humane Law Enforcement Officer training course which is designed for animal control officers, animal cruelty investigators and law enforcement officers at the Federal, State and Local levels. This course is 40 hours and very intense. All students are required to participate everyday and all sections.

This course was designed since there was a need to professionalize the animal investigator across the United States, since then there has been interest from all levels of government. We believe that in order to be a professional investigator when it comes to animals you need to learn all aspects of the job, so in this course you will learn the job of the animal control officer and animal cruelty investigator, there is no other training like this in the United States, you will learn not only through classroom but actual hands on scenarios and much more.
